The following revision or clarification is hereby made to Section III, Item A of the Esplanade Granite Restoration South Segment Project RFP, posted on the website of the Battery Park City Authority (“BPCA”) on June 28, 2019:

- BPCA will be hosting a second pre-proposal meeting/site walk-through on July 22, 2019 at 9:30 a.m. (meeting place: BPCA’s security offices, located at 200 Rector Place).
- The RFP Proposal due date shall be changed from July 26, 2019 at 5:00 p.m. to July 30, 2019 at 5:00 p.m.

The following response (the “Response”) is provided to a question that BPCA received by the stated deadline of July 12, 2019. The Response is provided in bold, italicized print immediately following the question.

1. Are there bid, payment, or performance bonds required for the Project?

***Response:*** A bid bond isn’t required for this Project, however, a payment bond and a performance bond will both be required as stated in Section VII “Insurance & Bonding Requirements” of the RFP. Each Proposer must provide a letter from its surety(ies) confirming its ability to provide a payment bond and a performance bond, as required by the Standard Form of Contract (attached to the RFP as Exhibit C).
